

Here's a list of 100 wallets. You can copy this directly into your trading platform. It's JSON format so do not edit it or remove any brackets as it won't work.

For a full updated list of wallets join my discord community <https://whop.com/trenchbulls>

For early access to Nova's new trading platform - <https://nova.trade/@ljk> access code: LJK

Any questions ask me on twitter <https://x.com/liamjameskay>
